IN this, our 25th annual sale, we have selected cattle that we think will go on and make good ofr the purchasers. Among the females are some ten head of cows that are proven breeders and their individuality and breeding make them worth considering, not only for good investments, but as a class that will work improvement on most herds. The same can be said of the ten heifers. They are a good lot and part of them sell safe in calf to good young bulls. We have the dams of all of the heifers that we are selling and they are among the good breeding cows in the herd.

We are selling a good lot of young bulls. They are strong in the blood of Village Supreme, Fair Sultan and Parkdale Radium. We regard these three bulls as strong a trio of sires as we ever had in the herd. The cattle that are now on the farm by these three sires are as good, if not superior, to any that we have ever had. When you consider that all of the bulls included in the sale are either by one of these bulls or a son of one of them, it is to be expected that these young bulls will grow to be valuable sires.

We have been breeding Shorthorns since 1882. The cattle that we are producing now are from ancestors that have been in the herd for several generations, and have been retained for their good breeding qualities. Owing to the fact that the best pure bred breeding cattle are selling at moderate prices, we regard this as an opportune time for investment, either to found a herd to to improve established herds. Good breeding cattle at present prices cannot fail to make money.

Cattle purchased at this sale can be shipped to Kansas City, if desired, in time to be shipped out with cattle from the American Royal sale Nov. 19th.

Herd Bull Village Supreme 423865 by Sultan Supreme by Double Dale, out of dam by Imp. Villager. International Grand Champion.
